Dear Valued Customer:

The 2010-2011 season is quickly approaching and in order to ensure a smooth transition, and ensure McGregor Plant Sales is fulfilling breeder requirements, we ask that you:

- 1 **REVIEW** the updated tagging agreement below;
- 2 **CHECK THE BOX** next to the method you will follow to ensure you are meeting all breeder requirements on Page 5 below;
- 3 **SIGN** the Standard Tagging Agreement on page 5;
- 4 **CHECK THE BOX** next to the method you will use to stick Wojo's **Vinca major 'Wojo Gem'**^{PP11,809} on Page 6 below;
- 5 **SIGN** the Wojo's Agreement on Page 6, and;
- 6 **FAX THE SIGNATURE PAGES (PAGE 5 & 6) TO 866-749-6021** before July 1, 2010 so that we can continue shipping your orders of proprietary items in a timely manner.

If you have any questions please feel free to contact McGregor Plant Sales at 760-431-1006 or e-mail us at sales@mcgregorps.com.

McGregor Plant Sales needs this agreement from you because, unless specifically noted, the breeders and/or their representatives require that one label or tag be included with each plant sold indicating the proper genus, cultivar name, complete proprietary rights of the plant for all regions of potential sales (in the U.S. area either "U.S. PPAF" or "U.S. Plant Patent #"; in Canadian area either "CPBRA#F" or "CPBR#") and also requires that the tag state, "propagation strictly prohibited."

To simplify the process, tags are available on line through the McGregor Plant Sales website. You may generate your own labels if the above information is included, or you may purchase labels from a printer. Should you need assistance with the purchase of labels, please contact us.

All written use of the cultivar name: advertisements, order acknowledgements, invoices, packing lists, etc. must be accompanied with the proper name and proprietary rights as listed above.

Thank you very much for your continuing relationship with McGregor Plant Sales.
